

Cromer

Description

The Cromer sofa collection is a smart, modern suite without the designer price tag. The design features gently curving teardrop arms, eye-catching accent cushions and smart buttoned detailing on the back cushions, making this an ideal piece for any living room. Simple wooden legs give the Cromer a lovely contemporary finish for a timelessly stylish look. Available as a standard sofa, a corner chaise or as an armchair, you're sure to find a size that comfortably fits your home
